Mr Chapman,  
Dear Sir:-

A  
friend of mine told me that  
you bought old Cains and  
also stamps. I bought some  
of both last month from  
an old Colored Gentleman  
and I would love for you to  
let me know what some of  
these dates are worth and  
also the stamps. Here are  
some of the dates of the old  
United State Half Cents that  
I bought. 1804. 1810. 1807. 1808  
1826. 1809. 1835. I also have one  
that has on it 1845 Victoria Queen.  
In speaking of the old stamps I

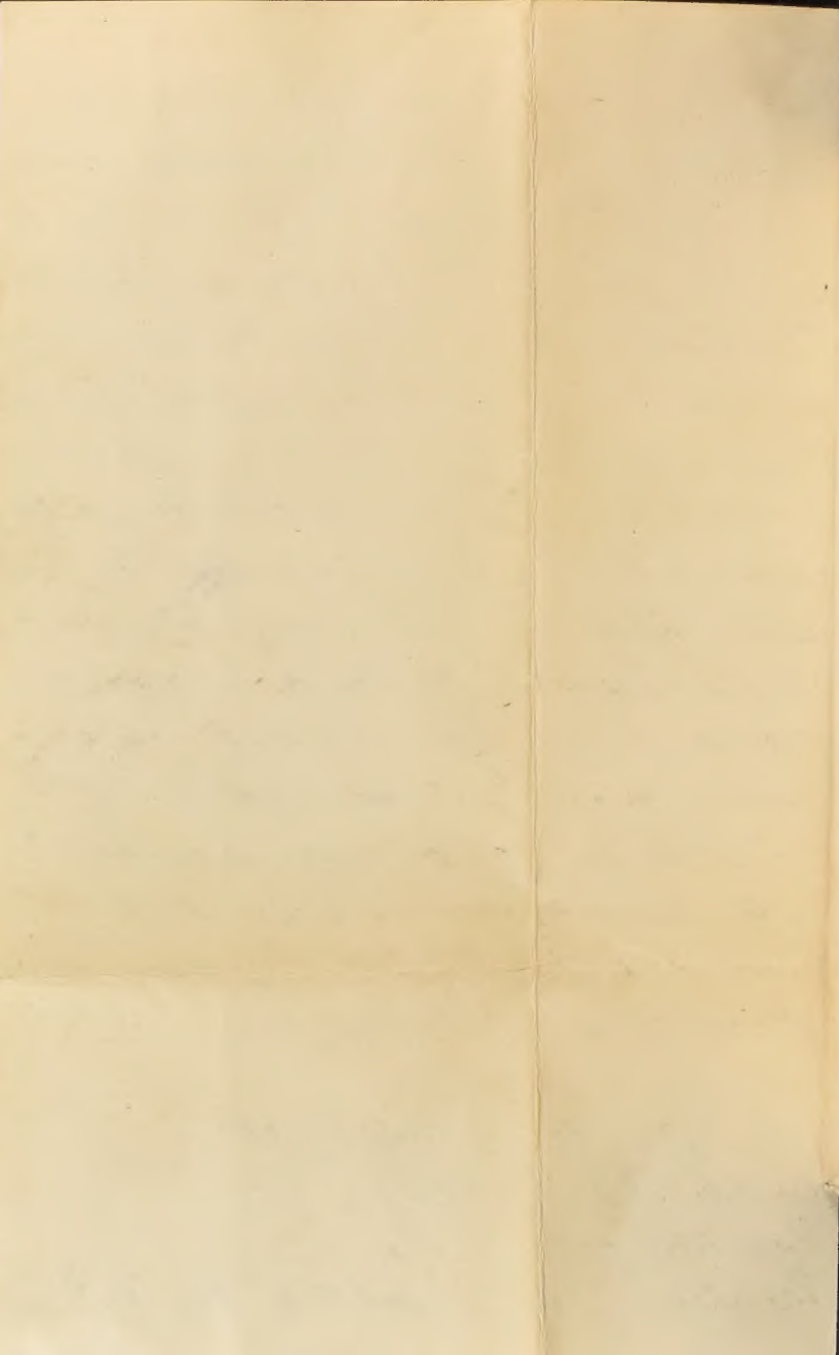

I have one hundred one and -  
two Cents old Columbian stamps,  
and also 25 old three cent ones  
issued in 1870 or 1875. I have  
some old large copper cents  
and some old foreign ones.  
Some of the old foreign ones  
are dated back as far as  
1720 and 1721. I have one  
old foreign piece that has  
on one side of it. Britain via  
1774 and on the other side  
of it Georgius III Rex. and  
I have one very heavy piece  
made in 1786. and also a  
half penny token made in  
1812 and quite a lot more.

Yours very truly  
Edgar Johnson
